

JOIN CHBA-VICTORIA WITH THIS SPECIAL 2 FOR 1 OFFER!

The Canadian Home Builders' Association-Victoria's membership is made up of 190 companies including 92 builders and renovators building the majority of homes in Greater Victoria. *We invite you to join us by taking advantage of this special 2 for 1 offer!*

Purchase a Silver or Gold CARE Awards Sponsorship, and you receive CHBA-Victoria membership for one year at no additional charge. * *If you have multiple outlets in the Greater Victoria area, they are included.*

The CARE Awards marketing campaign is unmatched in our industry. Included is the *People's Choice* contest highlighting finalists and sponsors leading up to the gala event at the Fairmont Empress Hotel on September 24, 2010. Our CARE Awards display in malls combined with online viewing and voting at www.careawards.com maximizes your exposure to consumers. Sponsors are also highlighted in two special sections of Western Living Magazine and in our full-colour CARE Awards magazine supplement distributed in the Times Colonist newspaper.

Take advantage of this opportunity to brand your company with the 2010 CARE Awards, while continuing to network throughout the year with CHBA-Victoria's professional builders and renovators.

Need one more reason?

We are the voice of the residential construction industry in Greater Victoria. Our advocacy achieved an HST rebate of up to \$26,250 per new home. Our region normally builds about 2,000 new homes yearly at an average cost of \$650,000 per home. The rebate represents a saving of approximately \$52 million annually in Greater Victoria. That's good for consumers, builders, trades and suppliers.

Attached is 2010 CARE Awards sponsorship information. A Silver sponsorship is \$4,000, (Gold, \$6,000) and includes CHBA membership valued at \$985 - \$1,685 depending on your category.

Thank you for considering this special 2 for 1 offer. I hope you will join us, and feel free to contact me at 250.383.5044 or cedge@chbavictoria.com for any additional information.

Yours sincerely,
