

Canadian
Home Builders'
Association

Built Green™ Builder of the Year

This award recognizes the outstanding contribution of members of the residential construction industry towards the advancement of quality housing through the Built Green™ BC program.

Entry will be awarded points not only on the volume and/or percentage of Built Green™ BC homes built in the year of submission but also the promotion of the Built Green™ program and ongoing education and training of employees.

Please complete the following criteria and fax your entry into the CHBA – Victoria office at 250.383.9423. Attach any extra pages and materials if required.

1. List the number of Built Green™ homes you have built during the time period of January 2009 – April 30, 2010; and at what level(s).
2. List any special features of your projects.
3. How many employees have completed the Built Green™ course?
4. How did you promote your Built Green homes?
5. Include any samples of marketing materials which promotes the Built Green™ program (if applicable).

Requirements

1. Completed Form.
2. CD or DVD with up to six digital images showing the company's marketing efforts and other images of your choice.
3. One 8"x10" colour photo print.
4. Any marketing materials or activities you wish to include.

Ballots to be mailed, faxed, or emailed to:
CHBA-Victoria, #1 – 3690 Carey Road, Victoria, BC V8Z 4C2
Fax 250.383.9423
Email: info@chbavictoria.com

Deadline: Friday, June 25, 2010
