BILL WANSBROUGH MEMORIAL AWARD

This award honours the contribution made by Bill Wansbrough to the residential construction industry. It is donated in his memory to recognize significant individual achievements that do not necessarily fit into any of the categories of the CARE Awards. It will exist and be utilized by the CARE Award judges at their discretion. This award will not necessarily be given every year.

In order to nominate a member for this award a letter outlining his/hers achievements is necessary. You may use the space below for your nomination.

Please consider this award for someone in the association who has given above and beyond to the Canadian Home Builders' Association.

Nominations to be mailed, faxed or emailed to:
